

## **Bishop Shanahan High School Shadow Request**

The goal of the Bishop Shanahan High School Shadow Program is to assist prospective students in making an informed decision concerning the high school they choose. The Enrollment Office takes seriously the Shadow Program and therefore has put forth guidelines to insure both the Shadow program's purpose and success.

1. Students currently in eighth grade and/or transfer students from another high school are eligible for the program.
2. This is designed specifically for those students who were unable to attend 8<sup>th</sup> Grade Visitation Day or any undecided students who would like to spend a partial day in actual class sessions.
