Creating A PowerSchool Parent Account

Fill in your name and the email address where you would like parent notifications sent.

Enter your desired user name in the box indicated.

Enter a password of your choice. It must be at least 7 characters long, contain at least 1 uppercase and 1 lowercase letter, 1 number and 1 special character.

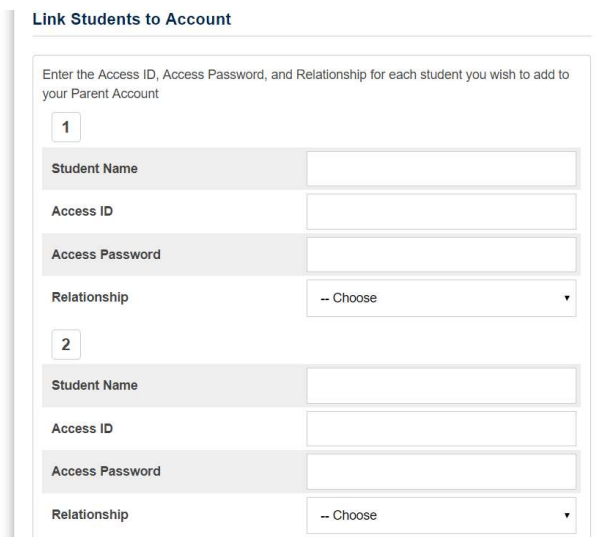

The screenshot shows the 'Create Parent Account' form on the PowerSchool website. The form is titled 'Create Parent Account' and is under the heading 'Parent Account Details'. It contains several input fields: 'First Name', 'Last Name', 'Email', 'Desired Username', 'Password' (with a 'show/hide' toggle), and 'Re-enter Password'. Below the fields, there are five password requirements listed in a table format:

Password must:	-Be at least 7 characters long	-Contain at least one uppercase and one lowercase letter	-Contain at least one letter and one number	-Contain at least one special character
----------------	--------------------------------	--	---	---

In the bottom part of the screen, enter the proper first and last name (no nicknames), access id, and access password found in your PowerSchool welcome letter for each student.

You may enter up to 7 students on this screen. If you have more than seven children, you will be able to enter their information once you log in for the first time.

The screenshot shows the 'Link Students to Account' form. It has a title 'Link Students to Account' and a sub-heading 'Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account'. The form is designed to link multiple students, with two example rows shown. Each row is numbered (1 and 2) and contains the following fields: 'Student Name', 'Access ID', 'Access Password', and 'Relationship' (a dropdown menu with '-- Choose' selected).
