SPIRITUALITY AT SHANAHAN

Welcome, Archbishop Perez!

Bishop Shanahan High School extended a very warm welcome to His Excellency, the Most Reverend Nelson J. Perez, who was installed as the Archbishop of Philadelphia on February 18th! While Archbishop Perez came to us from the Diocese of Cleveland, Ohio, he is an alumnus of Saint Charles Borromeo Seminary and former pastor of St. Agnes Parish in West Chester. We are especially happy to support him in our prayers as he serves as the new shepherd of Philadelphia. Upon his installment, Shanahan was pleased to offer a spiritual bouquet as a pledge of the school community's prayerful and loving support of the Archbishop and his intentions. This spiritual bouquet included the recitation of the Our Father, Hail Mary, and Glory Be, as well as the Divine Mercy Chaplet and the Rosary, along with visits to the Blessed Sacrament.

The Maguire Scholars Program: A Lasting Legacy

James J. and Frances "Frannie" M. Maguire (pictured) founded the Maguire Foundation in 2000 with a mission to improve the quality of life for people and educate the next generation of leaders. The foundation invests in education, arts and humanities, and the relief of hunger and homelessness. Partnerships with Catholic schools and universities have ensured that educational opportunities are provided for students of exceptional academic performance and personal character.

"We saw an opportunity to create a continuum of education by educating kids in grade school to high school and into college," says James Maguire. "We want them to progress into a leadership role in society.

Financial support is an important part of education that is not readily available today, and we want to help fill that void."

The Maguire Scholars Program, introduced in February, 2013, has supported 48 students at Bishop Shanahan to date, and encourages these scholars to dedicate their time and talent to community service.

In February 2020, Frannie Maguire passed away, leaving behind a lasting legacy formed by the core

values upon which she and her husband built the Maguire Foundation: preparation, passion, integrity, discipline, responsibility, and balance. Thank you to the entire Maguire family and their foundation for being *"People of God; People for Others."*

From the President

Dear Parents, Friends, and
Fellow Graduates of BSHS,

Blessings and greetings to you and your families! Over the past several months, we have faced one of the most challenging years in American history. Through your partnership and support, we have shown that together we are **SHANAHAN STRONG** and are moving forward with faith.

Shanahan responded very quickly with a creative, innovative, student-centered virtual experience through Flexible Learning Days. Utilizing Zoom, Google Classroom, and other valuable, digital resources, the administration and faculty hit the ground running on March 16, 2020, just 3 days after Pennsylvania's mandatory school building closure was announced. In addition to academic excellence, BSHS continued providing essential opportunities for a vibrant faith life and robust student life.

We are thankful for the devoted faculty, staff, coaches, current parents, and most importantly the students who were able and willing to adapt — and who continue to adapt — to the situation.

In this issue of *The Shanahan Magazine*, you will read about the conclusion of the 2019 - 2020 school year, and a few early highlights of the 2020 - 2021 school year. You can be confident that the successes will continue throughout the months ahead. **Your partnership makes it all possible!**

Catholic schools, like Shanahan, rely heavily on the generosity of current families, alumni, alumni parents, grandparents, corporate partners, and other friends of BSHS so that we may maximize opportunities that fully realize the potential of each and every student during the transformational high school years.

Now more than ever, we need your support.

Please participate in our fundraising efforts such as the Shanahan Fund, special events and scholarships for current students, as well as support of future students through the endowment. Partner with us as we **MOVE FORWARD**.

Please stay safe, be well and remain **SHANAHAN STRONG!** God bless your families!

Gratefully yours,

Sister Regina Plunkett IHM

A Tribute to the Class of 2020

The Bishop Shanahan High School Class of 2020 will forever be remembered in school history as the class that prevailed in spite of the COVID-19 pandemic. Shifting from in-person learning with classmates to virtual learning at home, they faced and embraced great change. Their sacrifice — staying at home for the safety of all in the community — also meant missing important in-person traditions. Yet they persevered, seizing virtual resources and continuing as strong leaders and excellent role models.

Senior leaders of various clubs and activities stepped up immediately to build a strong digital community. The TV studio filmed morning announcements for each weekday, recording unique segments from their homes. The National Honor Society offered peer-to-peer tutoring through Zoom. Student Council created interactive “iShanahan” activities each day, including video challenges, trivia games, and even service projects. Last but not least, the annual tradition of Mr. BSHS brought great school spirit to life through weekly, entertaining, and engaging videos.

“We stayed together spiritually, emotionally, and virtually because we are resilient, we trust in God, and we are better together,” noted Salutorian Jonah Messina in his speech.

The annual traditions of Baccalaureate Mass and the Commencement Exercises took on a unique form for the Class of 2020 this year. The class celebrated Baccalaureate Mass on Wednesday, June 3, participating in a beautiful, streamed Mass from St. Joseph Parish in Downingtown. Fr. John Donia, Campus

Minister, presided, with the assistance of senior students who served as lectors and cantors. On Friday, June 5, the Commencement Exercises were also held virtually through a thoughtful video ceremony that honored each individual student. The following Friday and Saturday, seniors were invited to return to campus for outdoor, professional photos, hosted in an impressive staging area. Then on July 22 and July 23, once Pennsylvania had entered the green phase, senior students and their parents were invited to return to campus again for two separate outdoor graduation ceremonies held in the stadium area.

Valedictorian Lauren Bradley shared in

her graduation speech that “The Class of 2020 are people for each other: dedicated students, willing to help one another with homework at midnight; enthusiastic fans, celebrating each other’s successes; and brothers and sisters in faith, praying with and for one another.”

The Class of 2020 will undoubtedly be remembered for embracing the unexpected, as well as for all their remarkable spiritual, academic, extracurricular, and athletic accomplishments throughout their high school careers. Their hard work, dedication and persistence will be celebrated far beyond 2020.

New Academic Programs Launched at Bishop Shanahan

BSHS excitedly launched two new robust academic programs this fall: STEM Pathways and the Eagle Business Academy. These programs provide opportunities for more students to participate in a specialized learning experience that includes collaborative research, workshops, competitions, mentoring, and college counseling — all focused in STEM and business.

STEM Pathways

STEM Pathways inspires the next generation of innovators by empowering students to be creative, collaborative and critical-thinking problem solvers. This program takes an interdisciplinary approach to learning, where rigorous academic concepts are coupled with real-world applications. The program ensures all BSHS students graduate with fluency in basic STEM literacy and provides a pathway to success in college, career and beyond.

There is an exciting curriculum ahead for STEM Pathways. Some of the classes include Information Technologies, Civil Engineering, Electrical Engineering, Bio-engineering, and Website Technologies. In addition to a core group of classes that progress with each grade level, many students attend a STEM Speaker Series and take electives such as Database Development for Real World Programs, Computer Game Development and Understanding Artificial Intelligence.

“Since the program explores a variety of mathematics principles and sciences,” shared one student, “I can use what I’ve learned within the program to create a better idea of what I’d like to do in the future and possibly the work it demands.”

At the conclusion of sophomore year, students who express a particular interest and aptitude in STEM will be invited to apply for the STEM Certificate Program. Students who successfully complete

the STEM Certificate Program will graduate with an official certificate denoting their participation in the program and their advanced proficiency in STEM.

The Eagle Business Academy

The Eagle Business Academy is a four-year academic pathway that addresses college and career readiness skills. Students gain knowledge in the business field and cover all high school prerequisites for acceptance into competitive post-secondary institutions. Graduates will leave prepared to commit to business as developed leaders in the ever-changing

global economy.

This program empowers students in the development of key skills including critical thinking, problem solving, research, reading, writing, speaking, presenting, teamwork, analyzing, reasoning, negotiating, and questioning.

The rigorous courses enable students to apply these skills while identifying how the material connects to other academic disciplines. Students learn about roles, responsibilities and career paths of specific professions. This includes exposure to careers both in the classroom and, in the future, through workplace visits. Course offerings include everything from Introduction to Business through Principles of Management, Java Programming, Proposal Writing, and more.

30 Day Happiness Challenge

Bishop Shanahan has a rich tradition of excellence, achieved by a willingness to embrace new strategies to academically and spiritually prepare young adults for the future. Despite the challenges of COVID-19, Shanahan's fall curriculum does not hold back on the school's plans to launch new faith programs to help students cope with difficulties and instill hope.

For the 2020-2021 school year, Shanahan will participate in *Magnify: 30 Day Happiness Challenge*. This virtual program blends emotional wellness with spirituality through scripture readings, reflections and peer-to-peer discussions that broaden perspectives. Throughout the 30 days, students will experience concepts designed to create hope and decrease anxiety. Funding for Magnify was made available through a grant from the Ambassador's Fund for Catholic Education.

Bishop Shanahan continues to raise the bar to ensure students have the tools they need to achieve their future goals. The commitment to excellence has not been compromised during COVID-19. The mission of Bishop Shanahan High School remains strong due to the unwavering efforts of faculty, staff and students. Now more than ever, the school continues to "Seek The Things That Are Found Above."

Lauren Garrett's Inspirational Story

After a cheerleading stunt accident left junior Lauren Garrett seriously injured and initially unable to move from the waist down, she had a long road to recovery ahead of her. She was in intensive care for a week and was then transferred to a rehabilitative floor of the hospital with a burst fracture in her spine on the first lumbar vertebra. Fortunately it was all impact injury and there was no puncturing.

Now Lauren has two rods and five levels fused. She continues daily rehabilitation and physical therapy. Part of her recovery also includes botox injections every three months in her calf muscles to loosen them. Once she was ready, Lauren returned to school three days a week full time, and two days a week part time. Using a wheelchair and later crutches, she carefully navigated the building with the help of friends, staff and her physical therapist.

Celebrating her inspirational story of recovery, Lauren had the opportunity to throw out the ceremonial first pitch for the Phillies opener when less than a year ago, she was in intensive care. Congratulations on all your accomplishments, Lauren! BSHS is so proud of you! God bless you!

Miriam Englehardt '20 Selected as Strive Foundation STAMPS Scholar

Miriam Englehardt, Class of 2020, kicked off her college career this fall at Elizabethtown College with many accolades and academic accomplishments. She is enrolled in a direct-entry, five year, M.S. of Occupational Therapy program that has an optional 6th year doctoral degree (OTD).

In addition to being offered a generous merit-based scholarship for the program, Miriam was selected through the Strive Foundation as a STAMPS Scholar. The Strive Foundation is partnered with 37 universities across the nation and presents four-year, full tuition scholarships to its STAMPS Scholars. She will also join a national network of STAMPS Scholars, participating in biennial conventions and other sponsored events.

Miriam has additionally been awarded with a \$6,000 Enrichment Fund which will allow her to take advantage of an exciting opportunity of her choice such as research, studying abroad, etc.

Congratulations, Miriam! Shanahan is so proud of you and wishes you all the best in your future endeavors.

“While Miriam has worked hard for this and definitely deserves it, BSHS has played an instrumental role along the way by providing an incredible education. Her recognition as a STAMPS Scholar certainly reflects well on the prestige and value of a Bishop Shanahan High School education.”

Doug Costin '16 Signs with Jacksonville Jaguars

(Excerpts from *PA Prep Live*)

Bishop Shanahan High School congratulates alumnus Doug Costin, Class of 2016, who signed with the Jacksonville Jaguars of the NFL! God bless you on this wonderful accomplishment!

Former Bishop Shanahan defensive tackle Doug Costin signed a free agent contract with the Jacksonville Jaguars after a stellar career at Miami University (Ohio). Costin was a three year starter in college and was named first-team all-Mid American Conference in 2019. Costin recorded 58 tackles and four sacks in 2019, and for his career, he played 50 games and registered 178 tackles and 17 sacks.

Costin's high school head coach at Bishop Shanahan, Paul Meyers, talked about Costin, who is the first former Eagle to play in the NFL. "Doug is a great kid who works hard, is humble and is a student of the game," Meyers said. "His athleticism will help him make the team. He can play defensive tackle as well as special teams. I am so happy for him."

Costin said his time as an Eagle helped him

on and off the field. "Coming out of middle school I was a little childish," Costin said. "I feel Bishop Shanahan really prepared me for college both on and off the field. I really feel it was important to be ready for life after football because football will be over some time."

Coach Meyers reached out to Doug for an update regarding his NFL experience amid the COVID-19 pandemic. We are grateful to Doug for this update, and share his words of wisdom with current students and alumni:

"This season will be the furthest thing from normal, but I am still blessed to be able to wake up every day and play the game that I love for a living.

Some words of wisdom I would share with the current team are **to find comfort with being uncomfortable and give it everything you have. What I mean by that is learn to love the pain and hard times that come with playing football.** These uncomfortable things could be conditioning, lifting or just having a bad day at school. Not only will it help you in football, but it will also help you become a better person outside of the sport as well.

Football has taught me many life lessons and has helped shape me into the person I am today. Remember to have fun while playing football. I have been playing since I was in second grade and I believe this is the thing that has made it such a passion for me. Through all the hard times and upsetting moments football has brought, I have never once stopped having fun playing."

McNulty '16 a New Breed of Long-Stick Midfielder

(Excerpts from *The Baltimore Sun* by Mike Preston)

Loyola Maryland lacrosse coach Charley Toomey already knew that Bishop Shanahan's Ryan McNulty was a gifted player, but it was the stories about his involvement in the community which made him stand out.

There was one in particular when McNulty befriended a female classmate with Asperger's syndrome. He would take her to dinner or out socially on the weekends to make her feel comfortable with her classmates, who sometimes made her feel awkward.

Being unselfish is what makes McNulty successful on the field as well. He isn't just a good long-stick midfielder but maybe the best in college lacrosse. These are the guys that do all the dirty work like gobbling up ground balls or shutting down the opposition's top midfielder.

When drills get sloppy, McNulty has the green light to call a timeout and adjust the tempo. If a teammate is dropping too many passes, he'll probably hear a few words from McNulty. After red shirting as a freshman because of a foot injury, McNulty still has one more year of eligibility left.

He is in position to be a captain for three straight years.

"Early in his career he would speak to

teammates and hold guys accountable, and that is what you are looking for," Toomey said. "I love the way he goes about his business and speaks his mind. But he is also the first one to run up to you and put his arm around you."

McNulty is his own man. Few players his age have his spirit or maturity, and he is actively involved with several ministries on campus.

Usually on Thursday he can be found in Baltimore with team chaplain Father Timothy Brown delivering food to the homeless on the streets or at homeless shelters.

Last year alone, Ryan was named to the national Tewaaron Award Watch List, the Preseason All-Patriot League Team, and the Patriot League Defensive Player of the Year! Congratulations, Ryan!

Alumnae Fulfill Childhood Pact to Dance at THON

(Excerpts from *Vista Today*)

When they were 12 years old, Lauren Saello '16 and Rebecca Reeves '16 made the trip to Penn State with Lauren's father, United Way of Chester County CEO Chris Saello, to cheer on the student dancers at THON.

THON is Penn State's 46-hour dance marathon run completely by students. It's the largest student-run philanthropy in the world and raises money for the Four Diamonds Fund at the Penn State Children's Hospital in Hershey. The fund pays medical bills for families with a child battling cancer.

That day, as they watched the student dancers complete the marathon, Lauren and Rebecca made a pact that they would someday dance in THON together.

Years later, the two Bishop Shanahan grads became Penn State students. After not getting picked in the lottery to dance in 2019, they decided to try one more time as seniors.

After raising almost \$15,000 over the past two years, their numbers were finally drawn in their final semester of college.

Lauren and Rebecca took the floor at the Bryce Jordan Center with 705 other dancers to fulfill the pact they made almost a decade earlier and complete the grueling 46 hours with no sleep and no sitting.

Lauren and Rebecca decided to dance in honor of Liam Kane (pictured), the son of Chris Saello's college roommate, Kevin Kane of Garnet Valley,

who also danced at THON in 1988. Kane lost Liam to childhood cancer in 2005 when he was five years old.

During the marathon, Lauren and Rebecca wore shirts that showcased Liam's dinosaur artwork and said "childhood cancer should be extinct." The Downingtown natives both graduated in May, with Lauren earning a bachelor's degree in Event Planning and Rebecca earning hers in Rehabilitation and Therapeutic Services.

Alayzha McDougal '20

Alayzha McDougal, Class of 2020, and her mother, Alisha, wrote a children's book together! *Splendiferous Magnificious Fun* had been a work in progress for ten years and is now available on Amazon.com. The book description asks readers: "Have you ever been on a magical journey? Join Addy and her friends for an adventure of a lifetime. Making a wish has never been so exciting for a group of friends who travel to places they could have never imagined. It's all about having Splendiferous Magnificious Fun!" This mother-daughter duo offers book readings and signings. Learn more at giftedauthors.org

Charlotte Raube '19

Charlotte Raube, Class of 2019, in partnership with her grandmother, Doris Gallippi (pictured), published a children's book called *Twiddle's Garden*. In this charming story, Lettie Lettuce and her vegetable garden family plot to save themselves from destruction after learning the farm on which they grew would be sold. Charlotte and her grandmother bonded over the past year as they co-wrote the book on weekends and via email. A really special connection developed between them through words and ideas for the concept of the Twiddles and their vegetable friends. Not only did they create an adorable book, but they were able to "connect" despite being a generation apart. The book and more information is available on amazon.com.

You Don't Need to be a Millionaire to be a Philanthropist!

Joining the Shanahan Society requires **no immediate financial contribution, only a pledge of a future gift.**

There are a few ways to leave a lasting legacy to BSHS. Consider including Shanahan in your estate plan by designating a percentage or a defined amount. You can also designate a portion of a life insurance policy and/or a retirement asset, such as an IRA or a 401(k). **Please know that you don't need to be a millionaire to be a philanthropist!** Pledges of any amount are welcome and appreciated. The simple act of informing Shanahan of your pledge qualifies you as a distinguished member of this group. We are grateful to all of the Shanahan Society members.

An Evening “NOT” at Shanahan

Bishop Shanahan staff hit the ground running at the very start of the PA State’s mandatory school building closures. One of the biggest school fundraisers of the year, *An Evening at Shanahan*, the auction and restaurant fair, was transformed into an entirely virtual event – all while keeping up the fun and school spirit that had become its trademarks. The updated event was playfully dubbed *An Evening “NOT” at Shanahan*.

Utilizing mobile bidding, the event took its wine pull raffle, silent auction and premier auction online. Emails and text messages from Shanahan built momentum leading up to the day of the event. Throughout the event day itself, guests received lively videos featuring students, faculty and staff. Fan favorites Mr. Keating and Dr. Moran even made appearances as they encouraged guests to join them in online bidding. After the event had concluded and best practices had been announced by the CDC, Shanahan conducted a curbside pickup for all auction winners.

Thanks to these efforts, the support of many donors and over 225 virtual guests, the event raised more than \$55,000! Get ready for more fun in March 2021 – learn more at shanahan.org/auction.

BSHS Advancement Director, Trish Kyle '23, '24, and Director of Special Events, Wendi Chapman '90, P '19, '23, helped at curbside pickup for auction winners!

MISSION STATEMENT

Bishop Shanahan High School, a Catholic co-educational secondary school of the Archdiocese of Philadelphia, committed to sustaining excellence, provides a strong spiritual life, along with challenging academic and rich extracurricular programs. A strong witness to Christian values and commitment to academic rigor and integrity prepare all students to be critical thinkers and moral stewards in a rapidly evolving global environment.

Shanahan Launched New Virtual Event:

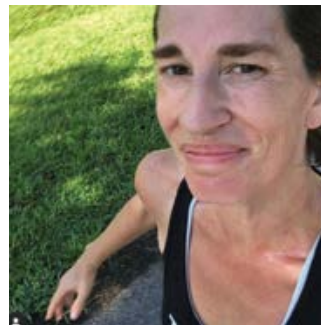

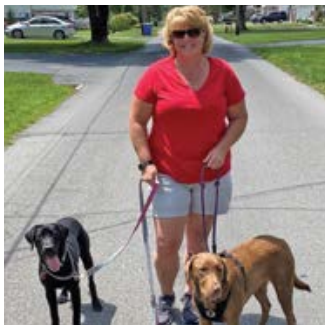

Shanahan Summer Strides

Over the summer, the Alumni Association and BSHS Alumni Affairs Team got creative during the pandemic in order to support students needing immediate tuition assistance. The group launched Shanahan Summer Strides, a virtual walk/run open to students, parents, faculty, staff, alumni, community friends, and their families. The challenge began on the Fourth of July and ran through Labor Day, encouraging participants to run or walk 63 miles. Each of the 63 miles represented a BSHS graduating class from 1958 to 2020. Participants diligently logged their miles each week online. "We've been having a lot of fun walking as a family, which we may not have otherwise done if it weren't for this program," shared The Strohmetz Family.

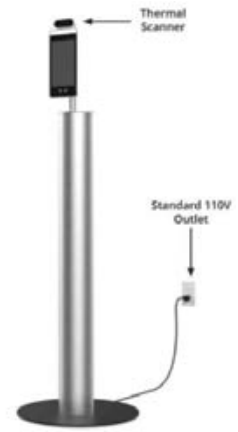

To keep the fun at a maximum, Shanahan regularly shared the progress from participants' weekly logs. This included individuals and groups who completed the most miles, had the most participants, the highest average miles, the best social media picture, and much more. These "Stand Out Striders" and "Weekly Challenge Winners" helped to keep everyone motivated and created an atmosphere of friendly competition.

This virtual event raised over \$4,600 this first year with 135 adults and 27 children participating. Shanahan extends a big "thank you" to all "Shanahan Striders." Together we walked and ran over 19,000 miles, helping to make this first year a great one.

Board of Directors Sponsor Temperature Scanners

As a sign of their **SHANAHAN STRONG** support of the BSHS Health and Safety Reopening Plan, the Board of Directors personally funded the purchase of four Temperature Verification Kiosks (TVK). These devices check the temperatures of everyone who enters the building, adding another level of protection during the COVID-19 Pandemic. If a high temperature is detected, a message appears on the screen. The TVK's help speed the process of moving the population onto the important business of teaching and learning. The school community is grateful to the board for their support, and is excited to continue using technology to help manage the logistics around the reopening effort.
