Dear Cast Member,

Congratulations! You have been selected for the cast of “DISNEY'S THE LITTLE MERMAID”

Your role as a cast member brings with it responsibility and commitments which include, first and foremost, academic success, punctual attendance at all rehearsals, and fulfillment of all the school’s requirements for activities.

The projected budget for the show includes royalties, rentals, salaries, sets, makeup, costumes, and all of the not yet named expenses too numerous to mention. The \$135.00 Drama Fee, \$100 ad drive, and ticket sales will provide the necessary funds to cover these expenses. Your support and cooperation will be greatly appreciated.

The early auditions will surely allow all of us to approach the months of September, October, and November in a practical fashion. The first All-Cast mandatory rehearsal is scheduled for Monday, September 10th, from 6:00-9:00 pm, at which time a complete rehearsal schedule will be distributed.

I strongly suggest that you get a recording and familiarize yourself with the music, story, and emotions of this production. This will make the learning process simpler.

The production staff is looking forward to working with a cast that will uphold the Bishop Shanahan High School standard of “excellence in the arts”.
