

Bishop Shanahan High School
People of God; People for Others

BSHS Choral Clinic
August 28th - 30th
12:00 PM to 3:00 PM

Dear Student:

The Fine Arts Department of Bishop Shanahan High School is well known for the many opportunities afforded to the students through performances. The Choral department extends a special welcome to the incoming freshman, as well as new and returning sophomores, juniors and seniors. A Choral Clinic is being offered for both male and female voices, on **August 28th, 29th and 30th**. The workshop will introduce basic skills to inspire and motivate students. No previous vocal experience is necessary.

The hours will be **12:00pm to 3:00pm**. **Mixed Chorus will report from 12 PM - 2 PM and Choral Ensemble will rehearse from 2 PM - 3 PM**. The opportunity to participate in both the choral and instrumental workshops is definitely possible with the new time for the Choral Clinic.

Please return this form no later than **July 15th**. A choral representative will contact you prior to the Clinic. This will afford you the opportunity to have any questions answered. We look forward to seeing you!

Sincerely,
Mr. Chuck Keating
Fine Arts Chair

Mrs. Marge Campbell
Choral Director
