

Bishop Shanahan High School
People of God; People for Others

OFFICE OF THE PRINCIPAL

Dear Parents and Guardians:

The administration in collaboration with the faculty has been working on a plan to provide online instruction in the event that school is closed to due to Covid-19. We believe that the vast majority of our students have internet access in their homes, but we cannot be absolutely certain that all of our students have access.

If your student would not be able to access PowerSchool, Google Classroom and other online resources in the event of a closure, please let me know. If that is the case we will explore alternative ways to communicate with you and your student concerning assignments and other matters in the event of a closure. **This information will be held in strict confidence.**

Additionally, the maintenance staff has been diligent each day in doing a thorough cleaning of the entire school facility. Also, the school is in the process of contracting the assistance of outside services to provide even more intense cleaning after school hours.

As a school community, we are praying for the well-being of our students, staff, and families during this difficult time.

Best regards,

Mike McArdle
Principal
