

Bishop Shanahan High School
People of God; People for Others

Thursday, July 30, 2020

Dear Members of our Shanahan Community,

The school's plan for reopening school in September is now available for your review. Our presentation of this plan has two parts: a narrated slide presentation which provides an overview of the plan, and the posting of the full plan to the school's website.

My colleagues and I are committed to providing our students with a meaningful educational program while intentionally focusing on health and safety. To succeed will require the support and cooperation of all members of the school community. That is why it is so important for everyone to familiarize themselves with the details of the Shanahan plan.

An important part of the program for the student orientation days in September will involve helping our students to understand their important role keeping themselves and others healthy and safe, and familiarizing them with the procedures of the new educational framework.

Finally, I wish to thank all of our parents and supporters for your continued commitment to Catholic education during these challenging times. You are always remembered in my prayers and the prayers of the school community.

Sincerely,

Michael J. McArdle
Principal
